

Dear Camp Parents,

This summer our camp will be working with **Winslow Pharmacy** to dispense and package ALL of your child's medication for camp. Camp families are **required** to register with **Winslow Pharmacy** if your child takes medicine while at camp. All pills will be dispensed and individually packaged in sealed packets labeled with your child's name, medicine, dosage, and time to be given. Our system ensures that each camper receives their correct medicine at the right time of day. All medication will be shipped to camp prior to your child's arrival.

It is recommended that you partially fill your camper's prescriptions before camp so the remainder can be provided by **Winslow Pharmacy**

Winslow Pharmacy will dispense all prescription and non-prescription meds taken daily or as needed. This includes all pills, liquids, drops, creams and vitamins. Non-prescription meds/vitamins; physician's authorization or written directions by parent required
The only exception will be inhalers and epipens which may be brought to camp on check in day and which must be clearly marked with the camper's name.

What you need to do:

Register with **Winslow Pharmacy** by emailing the pharmacy at winslowrx@yahoo.com or calling **207-872-7979**.

You will need to send the following:
your child's name and date of birth
any allergies your child has
a copy of the front and back of your insurance card
your contact information and address
the pharmacy you currently get your prescriptions from

Obtain original prescriptions written for the length of your child's stay at camp.

For Controlled Substances only: If your child is staying longer than 30 days, law requires a new Rx for each 30 day supply. Two separate 30 day Rx's are required for Controlled Substances. Send all prescriptions together. We must receive the **original** Rx or have the physician send an electronic prescription to our pharmacy

Prescriptions are filled as written. It is your responsibility to confirm the correct medication, dose and exactly how and when your child takes the medication is prescribed.

Deadlines: 30 Days Prior to Your Camper Start Date

Insurance/Prescription Meds: **Winslow Pharmacy** accepts most insurance plans. They will verify your insurance upon registration and submit to your plan. You are responsible for all co-payments, deductibles, meds and written prescriptions not covered by your insurance.
